Why Choose Suburban Express?

- Suburban Express **picks up at dormitories** on Friday so you don't have to carry your bags all over the place.
- Suburban Express **drops at dormitories** on Sunday night so you don't have to walk home in the dark.
- When you buy a ticket, you are **guaranteed a seat**. Amtrak and the other guys don't guarantee a seat. Do you want to sit on the floor for four hours?
- Suburban Express handles hundreds of passengers from U of I and EIU each weekend. More passengers means more buses making **fewer stops** - - which results in a faster trip for you, particularly on Sunday.

How to Read a Bus Schedule:

To plan a trip TO the Chicago Area, look at the line on the schedule up and to the left which includes "EIU" and the word "depart". Follow that line to the right until you find the time you want to leave EIU. This is your departure time. In the same column as that time, find a time which is on the same line as the stop you want to go to. This is your arrival time.
