Dear Robert:

It has been quite some time since we have received a payment from you. The last payment we received was on 4/3/2009 for \$500.00.

We have sent reminder letters out recently and hope you are not ignoring them. Your account balance is \$11,582.14 and we really need to receive a payment from you soon.

Please contact us immediately if you cannot make a payment to possibly discuss a structured payment arrangement.

We value you and our long term relationship with you and hope to continue.

Sincerely,
